

PREMIUM TIMBER LOOK, WE'VE GOT THE How To.

140 x 140mm PRINTED ALUMINIUM POST WRAP

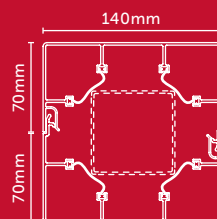

Two part post wrap designed to transform an array of existing metal posts into a premium Merbau timber imaged post.

- Provides a premium timber look without the hassle and ongoing maintenance that is needed with standard timber posts
- Unique patented snap together system with internal cushioning rubbers
- Easy installation eliminates any structural work that may be needed when installing new posts
- Suitable for new patios or retro-fit applications.
